Check the *Open Applications* list and start the *Teen Reviewers and Critics Application*. The application asks you a few questions about your availability to attend meetings, your interest in the program, and your experience working in groups. We strongly recommend that you read over your answers before submitting your application to ensure they are clear. Here are the questions we ask you to answer on the application:

- a. Please rank your preference for each TRaC, listing your first choice at the top and your last choice at the bottom.

The 5 TRaC sections will be listed (*see previous page*). Please rank your choices from top to bottom (top = First Choice; bottom=Last Choice). Please consider your interests as well as your schedule when ranking your choices. Make sure that you are available for the time listed. While we'd like to accommodate everyone with their first choice, there is always the chance that you may be placed in your second choice TRaC. Please be mindful of your academic and extracurricular schedules when choosing your rankings.

- b. TRaC is a fun, but serious commitment that depends on each participant's punctuality and communication. Will you be able to be ON TIME for and ATTEND ALL weekly workshops from 4:30-6:30pm?*

Yes, definitely!

No, my school gets out too late.

Maybe, it depends on my schedule

Most of the time, although I have few conflicts that I can tell you about

- c. Will you be able to check your email for weekly schedule updates from TRaC instructors/program director?*

Yes, definitely! I'm always online and in the know.

No, I do not have regular access to email.

I don't usually check my email that often, but I will make an exception for TRaC.

- d. Are you open to meeting in person at locations that require vaccination?

- e. All in person workshops/trips will follow COVID safety guidelines (mask wearing, socially distanced, etc.). Will you be able to attend in-person workshops/in-person trips this spring?

- f. Following the COVID safety guidelines will involve taking trips to venues that require a vaccine mandate. Will you be able to enter these venues?
(Option only if the answer is no: If your answer is no, would you like to apply for the remote music track?)

Yes, definitely!

No, not at all.

Probably, I'd just have to check with my parent/guardian.

- g. Why do you want to participate in your first choice TRaC program? Would you consider enrollment in your second choice?*
- h. What role do the arts play in your life?
- i. Please describe an experience you had working in a group. What were some successes? What were some challenges?
- j. Describe an experience that made you see things in a new way or challenged your thinking.
- k. What are some skills or qualities you hold that would be important to the program?
- l. What other internships, after-school programs, or extracurricular activities have you participated in (in or out of school)? Are you currently participating in any of these programs?
- m. If you have participated in the TRaC program before, what do you hope to gain by participating again? Skip this question if you have not participated in TRaC before.
